

Kathleen Roberts

I have lived in Prairie Creek Park for more than 21 years. As a former resident of Vermont, I bred and raised Morgan horses and sheep. I am currently retired, enjoy being an artist and a horse owner. I was a 4H member and volunteered as the 4H leader for many years and adopted their motto *"To Make the Best Better"*. ***I believe my previous experience as a Bookkeeper and Computer Systems Operator for the State of New Hampshire will help the Board in their fiduciary responsibilities.*** I also believe my historical knowledge of Prairie Creek Park will benefit the residents. I believe I can make a difference by being open, consistent and fair with all residents with the utmost integrity. I will work tirelessly to preserve our sensitive environment while moving forward with park issues in a positive and growing manner, with **honesty** and **integrity**.
